REGARDING: Slavery- Italian East Africa. The abolition of slavery from the territory of the Empire has brought up question of future of emancipated slaves.

SLAVERY

The abolition of slavery from the territory of the Empire has brought up the question of the future of emancipated slaves. We shall take care of those people by the creation of villages of freed slaves, similar to those founded in Kaffa by our Catholic missions. Meanwhile we shall procure employment for former slaves in the many public works now under way in East Africa.
